

Minor Scale Patterns.

Play using a metronome to keep a steady tempo.

6th String Pattern:

5th String Pattern:

- 1) Play each minor scale pattern, ascending and descending until memorized
- 2) Play using a 16th note time feel (4 attacks per beat)
- 3) Remember to alternate pick (down stroke, upstroke)
- 4) Play in all keys, using the circle of 4^{ths} as indicated by the chart below.
- 5) Always practice while using a metronome! Start at a comfortable tempo.
